

# SOFTBALL FACTORY ADVANCED TRAINING

**August 2 – 5, 2018**  
**Hood College**  
**Frederick, MD**

The Softball Factory Advanced Training gives players the opportunity to experience the life of a college softball player. Training will take place at Hood college with a focus on skill development, athletic advancement and academic achievement in order to build the complete student athlete. Our top-notch staff will work with each and every player to help them maximize their potential and raise their game to a new level.

## Softball Factory Advanced Training Benefits:

### Four days of training with our expert staff

- Instruction will focus on game situations. Our staff will work with every player to improve their instincts for the game.
- Learn how to shave off your home to first time, the importance of pop-up priority and how to improve your drop/rise pitches.
- Players will work on the fundamentals that college coaches look for in their recruits.

### Translate your skills from practice into game situations

- Take what you have learned in individual position training and apply it in a simulated game.
- Our coaches will make adjustments based on observations they make during live game play.

### Receive updates to your Softball Factory Player Page

- Your personal player page will be updated with a written evaluation based on your performance.
- You will be able to email the link to this web page directly to college coaches for promotion and instant exposure.
